

An appeal to The Cabot Group's connection to **Planned Parenthood**

Citizens of the Rochester Area appeal to The Cabot Group, Inc. to disaffiliate with the Planned Parenthood abortion clinic to be built at 2235 South Clinton Rd in Westfall Park.

Ethical concerns:

- Planned Parenthood is the **largest provider** of abortion in the country
- Planned Parenthood is currently under **Federal investigation** for the procurement and research involving fetal body parts from late-term abortions
- Planned Parenthood is accused by more than 600 current and former employees of **racist practices**

Business concerns:

- The congestion of daily protesters, pro-life sidewalk advocates and counselors for women entering the clinic
- Excessive traffic concerns, lot inaccessibility, and noise pollution to neighbors
- Increased costs for security and policing imposed on the Town of Brighton

We the undersigned support Brighton Residents Against Violence (www.braveny.org) and appeal to The Cabot Group Inc., 130 Linden Oaks, Penfield NY, to withdraw their management contract with the owners of the Planned Parenthood site in the Westfall Park / Clinton Ave. area.
